

## Draft Timetable Notes:

1. Band registrations received were well in excess of the number of time slots available at the festival.
2. Bands not included in the draft timetable but registered, nevertheless, by the January 22<sup>nd</sup> deadline, may yet be offered places at the festival if vacancies arise.
3. Late registrations have been gratefully received, but could not be considered. We thank you for your interest in the festival and encourage you to re-apply early for the 2011 festival.
